

COLEÇÃO LINEN

FIAMMA
TECIDOS

O Linen traduz a essência da elegância natural. Com construção rústica e composição em fibras naturais, reúne a nobreza do linho com a suavidade e resistência do algodão e da viscose.

Seu visual atemporal valoriza projetos que buscam aconchego, sofisticação e autenticidade, sendo indicado para revestimento de sofás, poltronas, cadeiras e peças de decoração.

Para garantir ainda mais performance, a coleção conta com opções de acabamentos especiais desenvolvidos para ambientes de alto fluxo. O Acabamento Fiprotec oferece proteção contra líquidos aquosos, facilitando a manutenção e contribuindo para a durabilidade do tecido no dia a dia.

Linen: natural na essência, sofisticado na presença.

Linen translates the essence of natural elegance. With a rustic construction and a composition of natural fibers, it combines the nobility of linen with the softness and durability of cotton and viscose.

Its timeless look enhances projects that seek warmth, sophistication, and authenticity, making it ideal for upholstering sofas, armchairs, chairs, and decorative pieces.

To ensure even greater performance, the collection features special finishing options developed for high-traffic environments. The Fiprotec Finish provides protection against water-based liquids, facilitating maintenance and contributing to the fabric's durability in everyday use.
